

Guidelines for the Vicenza Military Community Summer Family Fun Day June 19 on the Villaggio housing area:

Access to Villaggio Housing area for the First Lady of the United States social event will be limited to DOD ID cardholders with access to Villaggio.

No guests will be allowed to be signed in and all guests of Villaggio residents must be signed out no later than 10 a.m. on June 19.

Vehicle traffic will flow as normal from 8 a.m. to 12:30 p.m. However, from 12:30 until 1 p.m. and from 3:30-4 p.m., no vehicles will be allowed to enter or exit Villaggio.

The road in front of the Vicenza schools complex (via Cesare Augusto) will be restricted all day Friday.

Those attending the event will park in the fairgrounds parking lot and walk to the main gate for entry onto Villaggio. Please use caution when approaching the parking area and expect slow-moving traffic and pedestrians around the main Access Control Point at Villaggio as people move to the housing area for the event.

The Garrison PMO recommends that Villaggio residents complete all vehicle movements on and off the installation no later than 10 a.m. as normal operations are not expected to resume until 4 p.m. Be advised: all traffic on Villaggio will be forced to stop approximately 20 minutes before the First Lady arrives, and again before she departs.

U.S. Secret Service will screen everyone, and all items are subject to full inspection. People who don't consent to being fully screened will not be allowed to enter Villaggio and the special event area.

The following items are prohibited: backpacks, bikes, scooters, skateboards, pets, coolers, bottles and glass containers. Items that can be perceived to be a weapon will be confiscated. The only exception is for infant care: strollers and diaper bags are permitted. It is recommended that attendees pack light to expedite security processing, as food and refreshments are provided at no cost.

Everyone entering the special event area, including volunteers, attendees, workers, etc., will enter through the Vicenza Middle School and proceed through the personal search area. Those who leave the special event area will be required to be screened again at Vicenza Middle School before re-entering the special event area.

We are excited about hosting the First Lady of the United States and ask that everyone adheres to the direction of the Secret Service, Military Police, or local Italian law enforcement personnel at all times.
